Case No. C18-0962RSL

11                   **ORDER QUASHING SUBPOENA**

12                   This matter comes before the Court on an unnamed domain owner's motion to quash a  
13 subpoena issued to eNOM, Inc., in a civil case pending in the Western District of Virginia. The  
14 discovery was sought by Michael Peinovich, a defendant in the underlying litigation. All claims  
15 against Mr. Peinovich have now been dismissed. Sines v. Kessler, C17-0072NKM, Dkt. # 335-  
16 36 (W.D. Va. July 9, 2018). To the extent the identity of the unnamed domain owner was ever  
17 relevant to Mr. Peinovich's defense, any such relevance has now disappeared.

18                   Because the information sought is not relevant to any claim or defense in the underlying  
19 litigation, the motion to quash is GRANTED.
